

Cinemas and audiences are in a constant state of flux. To retain your competitive edge it is more important than ever to be aware of on-going change within both global and European exhibition. Such preparation is essential if you are to embrace successfully all future developments within the sector.

MEDIA Salles

presents:

“Advance news on cinema-going, multiplexes, digital cinemas in Europe”
from the **European Cinema Yearbook**

and

**“DigiTraining Plus 2013:
New Technologies for the European
Cinemas of the Future”**

Poland, 28 August – 1 September 2013

Be updated on the present state and future prospects of digital screening with the 10th edition of the MEDIA Salles' training course for European cinema exhibitors and professionals.
